Wayne Brown Inspections is a Charleston base Flooring inspection service, covering the state of South Carolina and Savannah Ga. With over 40 yrs in the flooring industry I am certified to inspect Wood, Bamboo, Laminate, LVP and Carpet. I have spent several years as a national salesperson for many wood flooring manufacturers. I provide a neutral and unbiased third-party investigation & analysis of floor covering problems, failures or concerns to Builders, Installers, Retailers or Homeowners.

Certifications:

NWFA - National Wood Flooring Association - Certified Wood Flooring Inspector – (Certified December 2007)

- **NWFA Certificate “Intermediate Installation School” Sept 2020**

NWFA - National Wood Flooring Association - Certified Sales Advisor – (Certified November 2019)

NALFA North American Laminate Flooring Association - Certified Laminate Flooring Inspector – (Certified July 2014)
